

APWA Southern California Chapter is pleased to present:

The 2018 Greenbook Seminar

Standard Specifications for Public Works Construction

This Seminar is designed to:

1. *Promote the proper use and understanding of the Greenbook*
2. *Highlight and discuss the various general provisions, their relationship to the Public Contract Code and their implementation during contract administration*
3. *Address the use of the Greenbook as the Standard Specifications for most public works projects through proper preparation of complementary special provisions*
